PROFILE

AI video producer and social media content creator, making visual content since 2020: first photography, then social media, now AI video. I build AI videos end to end, from script and prompts to lip-sync and the final edit, and run brand pages from content strategy to posting and collaborations. Delivered Meta ad videos for Funda and Speakeasy, scripts, QC and approvals for Kuku FM, and managed makeup and influencer pages as a freelancer.

EXPERIENCE

AI Content & Operations Intern · ATZA Digitally — May 2026 – Aug 2026

- Produced AI Meta ad videos for Funda and Speakeasy, with AI audio, frames and lip-sync, and reviewed final cuts.
- For Kuku FM, wrote and revised scripts, quality-checked scripts, videos, subtitles and transcripts, and approved content.
- Trained new team members on the work and workflows.

Content & Ideation Intern · ATZA Digitally — Feb 2026 – May 2026

- Managed the full content lifecycle for the agency's AI-focused pages across Instagram, Facebook, YouTube, Reddit and Snapchat, adapting each video to the platform.
- Produced AI videos end to end with Higgsfield, Google Flow, CapCut and Premiere Pro, and built a repeatable pipeline for stitching, editing and AI audio that cut turnaround time.
- Conceived page identities, content themes and ideation frameworks; engineered prompts across Claude, Grok and Flow; added subtitles and tracked new AI tools.

Social Media & Brand Strategist · CraveArt Fashion — Nov 2025 – Jan 2026

- Built the brand's LinkedIn approach: how it presents itself and reaches out to people and businesses.
- Planned the social media strategy (brand voice, content direction, platform use) and set out how the pages should be run.
- Shaped the advertising approach and kept the branding consistent across social channels and LinkedIn.

Marketing Intern · Bhawani Marketing, Jabalpur — May 2025 – Jul 2025

- Spoke with clients to understand their needs, handled local advertising and managed local promotions with the agency.

Social Media Manager (Freelance) · Two makeup pages — 2022 – 2023 · 2024 – 2025

- Ran the complete social media for two makeup pages: planned the content strategy, decided what to post and handled all posting.
- Created informational posts about makeup and products, and shot and edited the pages' photos, including product shots.
- Approached creators and brands for collaborations and managed each collab from first message to final post.

Social Media Freelancer · Reddit for two influencers — 2023

- Created and published Reddit posts for two influencers, adapting their content to the platform.

Photographer (Freelance) · Models & brands — 2020

- Photographed and edited shoots for models, including the pictures for their brand collaborations.
- Did product photography for Re'equil and other small brands.
